Q&A VIRTUAL SBLC SESSIONS

We will be offering an open office to answer questions about the virtual SBLC on the following dates. If you have questions, you'd like answered, please drop in. The link to our office is vo.teamtri.com/dawne.

- Tomorrow, Tuesday, April 7, from 8:30 to 9:30 a.m.
- Thursday, April 9, from 4:00 to 5:00 p.m.

ATTENDEE EMAILS

Please add all attendee emails into Blue Panda by this Friday, April 10. This needs to be done even if you are changing no other registration information. Attendees will use their emails to enter the virtual conference.

CLOCK HOURS

Advisers who are registered for our Virtual SBLC, will be able to receive up to 15 clock hours for our Virtual SBLC. Because we are virtual there will be a slightly different process.

- Advisers will need to register for the clock hours by May 18 at the following link:
<https://www.pdenroller.org/ospi/Catalog/Event/103291>
- WA FBLA will pull the attendance information from our Virtual SBLC site and submit hours to OSPI

- OSPI will email a link to advisers to the evaluation form
- Once OSPI receives adviser evaluations PdEnroller will send another link to the awarded clock hours

COMPETITION LIMITS

With our Virtual SBLC this year, the limits for competitive events have changed. All competitors are eligible to compete in up to six (6) events for this conference with a maximum of three (3) of these being performance/demonstration/interview events; i.e., 3 objective tests + 3 performance events OR 6 objective tests OR 4 objective tests + 2 performance events OR any combination of 6 with no more than 3 performance events. The requirement for students to have qualified in a competitive event has been waived this year.

ONLINE TESTING

All chapters attending SBLC with at least one student in an online test should have received an email from TFI with your adviser credentials. These can be used to access your student login cards. This same credential will be used after SBLC for you to see more information on the testing results.

Please consider testing your students earlier rather than later. All tests must be completed by 5:00 PM on April 24.

All Parliamentary Procedures teams need to have all team members taking their individual tests at the same time. If you did not receive your testing login, please let us know.

NORTHWEST REGION VICE PRESIDENT OPENING

We are re-opening the position for applicants for the position of Northwest Region Vice President until 5 p.m. on Friday, April 17. If you have any students who you think will benefit from this leadership opportunity and who is excited to serve WA FBLA, please encourage them to apply. Application information and upload link are located on the SBLC Events page.
