

December 4, 2017

Greetings, Advisers!

Member of the Month

Now is a great time to think about a member you think is doing an outstanding job for your chapter! Nominate them for Member of the Month, found at this [link](#). Also, be sure to share this opportunity with your officer team, because advisers, chapter officers, and even members can nominate themselves or someone else!

State Officer Candidates

If you have students interested in serving WA FBLA as a state officer, please direct them to our document library under the State Officers heading to find the [State Officer Candidate Guide](#). The upload for the officer candidate applications are located on the same page under the State Officers heading, [Upload State Officer Application Forms \(WWW\)](#).

Winter Leadership Conferences

All of the region Winter Leadership Conference (WL) registration sites are open now, so you can register your members. Please check out our Web site (<http://wafbla.org/regional-conferences>) for additional information.

One online registration form will be needed for each student attending the WLC. To make registering easier, you may want to create a spreadsheet sorted by teams so all team members are registered with the correct teammates. Please contact your Regional Adviser with questions about your WLC.
