

Kody Richards, your North Central Region VP, is a Senior at Wenatchee High School. Joining FBLA as a sophomore, Kody fell in love with all the opportunities FBLA has to offer, as well the strong community. She has been an FBLA member for three years and served as a chapter officer the past two years. Last year, Kody placed third at NLC in Job Interview, which is amongst her proudest accomplishments. After working hard all year to grow as a presenter, Kody felt that all her hard work had paid off.

Outside of FBLA, Kody enjoys being involved in Mock Trial, DECA, ASB, Speech and Debate, MUN, Earth Club, and FFA. She loves being busy, involved, and around other people! Some of her favorite volunteer experiences have been educating kids about agriculture through 4-H, and coaching Girls on the Run. Kody is especially excited to build connections with members and leaders, as well as focus on personal and leadership growth during her term as a state officer. After graduation Kody plans to attend Gonzaga University for her undergraduate degree, then go on to Law School.
