

November 27, 2017

Happy Monday, Advisers!

We hope you all had a wonderful Thanksgiving weekend!

CTSO Pin Design Competition

Please share another creative opportunity with your students! To help promote all CTSO programs in our state, a pin design promotion is being offered. Attached is the application form for submission. Application due date is December 13, 2017.

Last-of-the-Month Report

Please remind your chapter officers that the chapter Last-of-the-Month Report is due this Friday, December 1. This report is used by the State Officer team to help chapters who have questions or would like assistance. To assist your officers in completing this report, a sample report is attached. The report can be access by clicking [here](#). Please let me know if you have any questions about this report!

Member of the Month

Would you like to recognize a student for the outstanding work they are doing in your chapter? Nominate them for Member of the Month, found at this [link](#). Also, be sure to share this opportunity with your officer team, because advisers, chapter officers, and even members can nominate themselves or someone else!

Have a great week!
