Greetings, Advisers!

WA FBLA Adviser Conferences

Thank you to all of the advisers who attended our trainings! We enjoyed seeing you and look forward to an exciting year.

TeachFBLA Website

WA FBLA is very excited to roll out our new TeachFBLA Website for our advisers and members! Please be sure to visit the site for helpful information!

To access TeachFBLA visit teachfbla.org/Washington/. Login with the username of **wafbla** and the password of **opportunity**. Please note that unique logins will be created and sent to each of you later this fall. Once you are logged in, click on the ACCESS RESOURCES blue button in the middle of your screen. Use the Resources tab at the top of your screen to access the various levels. Level 1 and 2 offer resources with many more to come as the year progresses. The Website will continue to evolve over the next several years.

National Database Updates.

- **Print Invoices.** When you log in to your chapter membership record, you should click on “**Your Chapter.**” Then click on, “**View/Print Invoice.**” An overall Invoice number has been added and the word “Invoice” has replaced the word “**Order**” to help meet district requirements to issue school checks for payment for both membership and conference registration.
- **Remove Button.** The “**Remove**” button will not be added back to the chapter roster. There is too big of a margin for error with creating duplicate members. Please email membership@fbla.org if you need students removed from your roster. This is the same process that we have used in the past.
- **Manage Students.** All functionality for managing students can be found under the “Manage Students” tab.
- **Professional Members.** Professional members renewing their membership should activate their account using the [Activate Your My FBLA-PBL Account](#) button on the website. All new professional members should click the [Join](#) button under the PD tab on the home page of the national website and complete the application.

National Webinar Wednesdays

Tune in every Wednesday at 4:00 p.m. EDT for Webinar Wednesdays. Did you miss last week’s PBL Career Connections Conference Webinar? View it [here](#).

This week’s topic is Tallo. [Register](#) today.

Stock Market Game

The National Fall Session of the Stock Market Game is September 16–December 6, 2019. The cost is \$10.95 per participant for 1–5 participants. For more information, please visit the FBLA-PBL [website](#). To register, log in to your [my.FBLA-PBL](#) account.

EVERFI K-12

If you missed the “*Teens & Their Financial Futures*” Webinar, visit the recording along with links to the resources featured during the presentation [here](#). EVERFI offers Financial Literacy for high school lessons, a crosswalk document outlining the topics covered in the previous version of the course and the new one, and a launch deck to get students started.

State Officer Corner

Sponsorship Opportunities! Attached is a comprehensive list of CTE-related scholarships for WAFBLA members! Make sure to promote and look through the scholarship list to see if any of your students are eligible or interested in applying for these scholarships.

Talking Tips for Gaining Sponsorships! This graphic guide is directed towards WAFBLA members that may be chapter officers, looking to financially support their members by gaining sponsorships or monetary donations towards conference fees. We urge chapter advisers to encourage their chapter officers to try connecting with local businesses or organizations in real life to potentially gain sponsors and improve their communication skills!

Happy new week!
