Good morning, Advisers!

### **Member of the Month—Nominations for October due September 20**

If you have a member you'd like to recognize this month who has demonstrated passion and dedication to Washington FBLA's mission and programs, please be sure to submit the nomination form at the following link:

### **Website Scavenger Hunt**

Washington FBLA has a new website this year! It can still be found at [www.wafbla.org](http://www.wafbla.org), but it has been completely updated! To help your students become more familiar with the website and the resources offered there, we put together a scavenger hunt to be used as a classroom or chapter meeting activity. Students will answer about 10 questions on a Wufoo form using information found on the website, and include the link where they found it. The winner will be chosen randomly from all the entries, and he or she will receive a TV! All submissions must be received by October 5, 2017.

### **Chapter Visits**

One or more state officers are ready to visit your chapters! They will bring excitement and knowledge to share with your chapter! A chapter visit can be requested by completing the information at the following link: <https://trileadership.wufoo.com/forms/washington-fbla-chapter-visit-request-form/>

Thank you to our advisers who have requested chapter visits! The team is ready to finalize dates and times to visit and will be in touch shortly.
