State Officer Corner

Membership Campaign! To assist FBLA chapters with membership, WA FBLA has created a fun and insightful "A World of Membership" wildlife themed membership campaign. With each level of membership increase achieved, your chapter will receive marvelous recognition at SBLC.

Chapter Visits. Requesting a chapter visit from your WA FBLA state officers is a great way to learn more about the opportunities available in FBLA for members. Each officer is thrilled to visit all chapters and is ready to share inspiration and tips with as many members as possible. Officers will talk on numerous topics ranging from member recruitment to competition tips, advantages of being a member to leadership skills and are more than happy to attend and conduct induction ceremonies, or any other events of that type. Make sure to secure your chapter visit from your state officer team by visiting <https://leadable.info/WAFBLAChptVisitRequest>.

Chapter of the Month & Member of the Month! The WA FBLA Membership Program of Work committee is pleased to announce that the Chapter of the Month and Member of the Month programs will continue to run in WA FBLA this year. These two programs are a fantastic way to get WA FBLA chapters and individual members the recognition they deserve for demonstrating their FBLA passion through leadership and other activities. We strongly encourage all advisers to nominate worthy members and chapters for these marvelous programs.

The nomination application is due the 20th of each month. Don't miss this golden opportunity to provide deserving chapters and individuals the recognition they deserve!

Scholarship Sundays! The State Officers are focused on increasing the amount of sponsors for competitive events and increasing the information availability of sponsorships and scholarships for members through emails and social media. Recently, "Scholarship Sundays" have started on the Washington FBLA Instagram. Be on the lookout for a new scholarship opportunity every Sunday!

We look forward to visiting with those of you able to attend the Adviser Trainings! Materials will be posted on the WA FBLA Web site & TeachFBLA next week!
